**Kam Wah Industrial Company** was established in 1982 in Hong Kong. Our main business include label printing and manufacturing services such as PVC rubber labels, silicon labels, silk Screen labels, heat-sealed labels, zip-pullers, PU/leather badges, key chain/mobile phone tags, embroidery/stitching patches, woven labels, heat transfer printing, cuff velcro badges, gas-filled feather badges, 3M reflective labels, plastic hangtags, paper hangtags, and 3D lenticular badges.

In order to expand our business and to provide high quality products to our clients at affordable prices, our production department was moved to China in 1986, and occupies an extensive 30,000 meters square facility. We have more than 500 employees and 221 sets of machines such as automatic plastic dripping machines, high-frequency voltage machines, pneumatic pressing machines, hydraulic machines, punching machines, stamping machines, pad print machines, paper transferring printing machines and water transferring printing machines.

Moreover, the company has reached the full implementation of the ISO9000 system management, and has been making significant progress. The company motto is; "Customers first. Prosper through quality. Enhance our reputation". We are making progress and will serve you at once.
